8. ATTACHED THE FOLLOWING ADDITIONAL INFORMATION TO THIS FORM

- A project plan, including a proposed completion period and, if applicable, a list of water rights to be used in conjunction with or to be replaced by the proposed use of Flathead System Compact Water
- Written authorization from the Tribal Council or its delegate that it has approved this application for the use of the Flathead System Compact Water
- A plan to adhere to minimum flow requirements, ramping rates, and other ecological flow requirements set forth in the abstract of the Flathead System Compact Water Right;
 - The plan must include monitoring to track minimum flow and ramping rates; and
 - The plan must include consideration for cessation of use when applicable.

MAP

- A map must be submitted with the application and include the following marked and labeled:
- Property boundaries and ownership information;
- Township, Range, and Section of the point of diversion and place of use;
- Proposed source of water, point of diversion, means of conveyance, place of use, and place(s) of storage, if applicable;
- All buildings on the property;
- Boundaries of the proposed irrigated area;
- Sewage facilities including septic tanks and drain fields within the property boundaries;
- All wells and existing water developments within a 500-foot radius of the proposed water use area
- Measurement and instrument locations associated with the proposed development; and
- The Place(s) of Use of all associated and supplemental water rights.

9. DECLARATION OF OWNERSHIP

I declare that the statements appearing here are, to the best of my knowledge, true and correct and affirm that I have possessory interest, or the written consent of the person with the possessory interest, in the point of diversion, place of use, and conveyance.

Applicant 1 Printed Name:	
Authorized Signature:	Date:
Applicant 2 Printed Name:	
Authorized Signature:	Date:
Applicant 3 Printed Name:	1
Authorized Signature:	Date:

Please note, you must submit ORIGINAL owner signatures. Copies will not be accepted.

* A recommended decision to grant shall be publicly noticed by the Office of the Engineer via legal notice in a newspaper of general circulation on the Reservation and shall be posted on the Board's website for a period of 45 days from the date the recommended decision is issued, during which time objections may be filed with the Office of the Water Engineer.
