Re: Flathead Reservation Water Management Board 2025 Budget Submission

To the Representatives of the Compact Parties:

The Flathead Reservation Water Management Board, through the Office of the Engineer, hereby submits its second of two budget communications, this one addressing fiscal year 2025 in accordance with the Funding Agreement between the Board and the Compact Parties. This submission includes a projected budget for fiscal year 2025 and actuals for the period of July 1, 2024 to September 30, 2024.

We look forward to continuing to work with the Confederated Salish and Kootenai Tribes and the State of Montana toward developing the water right processes needed for administering water on the Flathead Indian Reservation.
